Life Member Directory
2023

Bangladesh Society of Medicine
It is really a great pleasure to have the opportunity to publish the 9th issue of the 'BSM Life Member Directory'. I am expressing my sincere thanks and gratitude to the honorable life members of BSM for helping us by providing their updated information. I hope that this directory will create a platform for better communications among members to enhance all activities of BSM.

I congratulate and welcome the new members of BSM, whose names and addresses have been added to this edition of the 'BSM Life Member Directory'. We have earnestly tried to eliminate errors but still, I apologize for any errors remaining even after our sincere efforts. A continuous endeavor will also remain to publish an online version of the life-member directory with a short biography for all life members.

Finally, I appreciate members of the Publication sub-committee for their contribution to updating the society’s life members and officials regarding the publication within a short period of time.

Regards

Prof. Md. Titu Miah
President
Bangladesh Society of Medicine
It gives me great pleasure to provide an updated 'BSM Life Member Directory' that has been published as the 9th issue. Bangladesh Society of Medicine started its journey 22 years back, as a platform for the Medicine specialists of Bangladesh. Currently, there are more than 1100 life members and the number is increasing every year. BSM has already gained momentum in progressive development in all fields through the untiring efforts of the members and has achieved an enviable reputation in the medical field at home and abroad. Though it is a large family we want to remain connected like family members. BSM Life Member Directory is published as part of its continuous efforts to maintain updated information about the members so that members can communicate easily.

I believe with the advent of society and the ever-growing number of Medicine Specialists and life members we shall update the directory every year. I wish that this endeavor will bring us closer and help in the smooth functioning of BSM.

Regards

Prof. Ahmedul Kabir
Secretary General
Bangladesh Society of Medicine
From the Desk of Editor

With profound pleasure and humility; it is a great privilege to publish the 9th issue of ‘BSM life Member Directory 2023’. Bangladesh Society of Medicine is a large family but members are always connected. Life-member directory is published routinely as part of continuous efforts to maintain updated information about the members and it helps members to be able to keep in contact with other fellow members.

I would like to convey my sincere appreciation and thank all the members for providing information for updating this Directory and express my gratitude to those members of BSM. I have earnestly tried to eliminate errors but still I apologize for any errors remaining even after my sincere effort and my effort will be there to correct the information if you notify me.

Best wishes to all life members of BSM.
