

Unsung Young Heroes of Medicine

To Showcase the Outstanding Achievements of Young BSM Members in BSMCON'24

Respected Members, BSM,

Assalamu alaikum. Scientific Committee, BSM is glad to inform you that in the upcoming BSMCON'24 we have planned a new plenary session of 45 minutes on 3rd March, 2024 where a few selected young BSM members will present their remarkable achievements in various categories themselves to the audience. We acknowledge that many of our young members are performing marvels in Medicine which are being unnoticed. We want to showcase our unsung young heroes in BSMCON'24 for acknowledgement, for inspiration.

We invite applications from eligible candidates within February 10, 2024 through email. A selection committee including honorable President, Secretary General and other members of BSM will select the final candidates.

Participants: BSM members up to Assistant Professors (i.e. medical officers/lecturers, junior consultants, Assistant Professors) who have outstanding achievements in a certain category in the field of Medicine.

Achievements: By outstanding achievements, we mean remarkable performance in any one of the following categories that has been officially acknowledged or demands such acknowledgement supported by sufficient data/documents/materials.

Categories:

- A. Institutional: Brilliant performance at work place (e.g., special action that saved lives, additional services that have special impact: running specialized clinic, specialized ward, interventions like pocus, endoscopy, echo, biopsy, etc.)
- B. Community service: extraordinary, long-term service to the community that changed lives
- C. Research & publication: Commendable research activities with a good number of publications in high impact journals
- D. Intervention: Self-motivated interventional skill development that helped a good number of patients
- E. Innovation: Personal innovations that have positive effect on patient population or medical education
- F. Abroad: Admirable achievements in a foreign country in any categories mentioned above

Application: Eligible candidates are requested to apply through email: bsmedicine1999@yahoo.com with "Unsung Young Heroes of Medicine" mentioned as subject and the followings attached.

Attachments: (a) A short CV mentioning BSM Membership Number (b) A short description (250 words) of the achievements highlighting their uniqueness and relevance with medicine practice or education (c) supporting documents, certificates, data, pictures/video and others (d) a recent passport sized photograph.

Deadline: 10 February, 2024
